Hi Gary,

Thank you so much. It was me that you talked with earlier today. My contact information is below as well.

Please let me know if you need anything further, or have any other information you think would be important for us to include.

Thank you,

Hello Betsy:

I am not sure if I talked with you or your reporter this afternoon about our plans with the cleanup. I forgot to write down the name and get the contact information. I wanted to give you guys my contact information. Please send me your contact information as well.

Thanks
